

BEAR IN SPACE: RUXPIN ODDYSSEY

OLD MALE PASSENGER: But he's not just "Teddy," oh no! He's Teddy Ruxpin!!

BEAR growls while trying to contain a volcano of anger.

OLD FEMALE PASSENGER: (reacting to the steam coming out of Bear's ears) Oh Dear.

OLD MALE PASSENGER: (same) Land Sakes!

BEAR: (seething) You don't happen to know where this Teddy Ruxpin might be, do you?

OLD FEMALE PASSENGER: (Trying to be helpful) Well, yes. I think I do!

Pause Shot. Bear waiting expectantly, neither old passenger getting the hint.

BEAR: (Menacingly leaning in) Before I gut you wide open do you think you might tell us where this Whimpo Bear is?

OLD MALE PASSENGER: He's not very nice is he?

OLD FEMALE PASSENGER: Not at all. I think we'd better pinch his cheeks to make sure he even is a real bear.

BEAR NARRATION: So we disposed of the bodies and then went to our on board computer, Trixie!

COMPUTER DISPLAY: "Subject: Teddy Ruxpin. Occupation: Adventurer. Base of Operations: Storyland, Ruxpin World, Beta Minor, Ursa Major Constellation."

BEAR NARRATION: Trixie told us he flies this Balloon Crate deal and travels around Storyland spreading good will and helping everyone he met...

BEAR's imagination of what Teddy Ruxpin might be like as he flies around in a balloon ship and helps people.

BEAR NARRATION: After I woofed my cookies on this we decided to head to Storyland so I could spread "Teddy" all over Storyland.

BEAR NARRATION: We pulled into orbit and then went down. Immediately we had to put on ear plugs. Everyone was singing for pete's sake! All singing about the good things Teddy had done for them.

BEAR IN SPACE: RUXPIN ODDYSSEY

BEAR NARRATION: So we launched about a hundred lobotomy droids before we spotted that balloon deal and I couldn't stop laughing. He actually lived in this thing?!

BEAR NARRATION: I wanted to ram it, or blow it up, but Marty suggested just boarding it and ripping Teddy's heart out. It sounded like fun so that's what we did.

(A harpoon flies into the wooden sides of Ruxpin's balloon ship and Bear, Marty and Joe Rat slide down it landing on the deck. Ruxpin sees them and smiles)

RUXPIN: Hi. I'm Teddy Ruxpin. Do you wanna be my friend?

(Bear faces Ruxpin brandishing his sword)

BEAR: Sure. I'm Bear... this is Marty Mole,... that's Joe Rat, and this is Steve.

RUXPIN: (Looking for Steve with puzzlement) Steve who?

(Bear jabs the sword forward)

BEAR: Steve Sword! ARGH!!!

(Ruxpin is stabbed in the heart)

RUXPIN: Oh dear, BLEEP (censored)

BEAR NARRATION: And that's when I found out. Teddy wasn't alive! Just some lousy stinkin electronic bear. It really sucked!! All this way just to kill a furry tape deck. I ripped him apart anyway but it wasn't as much fun.
